01 About Us

WHO WE ARE

We are a young, dynamic, and design-driven apparel sourcing company, founded to be a **value-adding link** between customers and suppliers. We aim to provide the best service, being your eyes and ears in vendor facilities.

Our product portfolio cover **wovens, knits & sweaters** across Women's, Men's and Children's categories. And our partner vendors are amongst the most compliant in the industry, delivering the right product, right quality, and right price on time.

With over **50 years of combined expertise** in the apparel industry, we possess quite a few key competencies that ensure competitively priced, trend-driven collections with ethical and timely sourcing. Through thorough production follow-ups, onsite inspectors, and flexible solutions, we guarantee the **highest quality, risk free, hassle free, on time** delivery. Our flexibility gives us the ability to work with high-end fashion retailers to the mass market discounters. We believe in building long term business partnerships with all our associates.

02 Production & Operations

SEAMLESS PRODUCTION MANAGEMENT

We have a team of **dedicated, proactive** and **technically sound** merchandisers who closely follow up and communicate order status with our partners. We strictly follow a **time & action schedule** for all our orders, with close synergy between the technical, QC & QA Team. Our technical teams hold a wealth of experience in **fabric quality, patterns, fitting, sewing & washing** and ensure that all samples, from development to final approval, meet buyer specifications.

We do a thorough **risk analysis process** in all our sample stages to ensure the production process is smooth and unhindered. We have strict **QA processes** setup in our vendor facilities. It is strictly followed by our vendor's QC teams and rigorously monitored by our QA teams. We ensure every final product **matches the approved sample**.

02 Production & Operations

ETHICAL SOURCING, COMPLIANCE & SOCIAL RESPONSIBILITY

Our raw material sources and productions are done from our select strategic partners. All our partner suppliers are routinely audited by our and our customer's COC.

We take our compliance seriously and only work with partners that do not use child labor and provide safe working conditions, with fair pay and within legal working hours, along with freedom of association and who strive for sustainability.

We take extreme care to align our supply chain within our code of conduct and our responsible production objectives.

All our partner vendors are regularly audited with buyers COC and other CSR audits as requested by customers.

03 Logistics, Shipping & Finance

SEAMLESS COMMERCIAL PROCESSES

Our finance and shipping experts follow up on Lc's, coordinate with vendors and freight agents for shipment bookings, handover, documentation & payments
